

مستهلكات جراحة العظام لعام 2026 (برسم البيع)

التسلسل على نظام joneps	التسلسل حسب التصنيف	اسم المادة
		Trauma & Spine
1	1	Reconstruction plates (1.5 , 2 , 2.7 , 3.5 , 4.5) / different size & length
2	2	LCP plates (combined holes) / different size & length
3	3	tubuler plate / different size & length
4	4	Periarticular Shoulder plating system / different size & length
5	5	Periarticular Hummers plating system / different size & length
6	6	Periarticular Elbow plating system / different size length
7	7	Periarticular Radius plating system / different size & length
8	8	Periarticular Ulnar plating system / different size & length
9	9	Periarticular Hand plating system / different size & length
10	10	Periarticular Wrist plating system / different size & length
11	11	Periarticular Pelvic plating system / different size & length
12	12	Periarticular Femur plating system (adult & pediatric) / different size & length
13	13	Periarticular Fibula plating system / different size & length
14	14	Periarticular Tibia plating system (adult , pediatric) / different size & length
15	15	Periarticular Ankle plating system / different size & length
16	16	Perarticular Foot plating system / different size & length
17	17	Screws (cannulated , cancellous , cortical) / different size & length
18	18	Pediatric proximal locking plate with / different length
19	19	Headless screws / different size , type & dia
20	20	Femoral nail system / different size , type & length
21	21	Tiabria nails D.S system / different size & length
22	22	Hummers nails D.S system / different size & length
23	23	Elastic nails D.S system / different size & length
24	24	Telescope nail / different size & length
25	25	Tibiotalo calcaneal nail (ankle arthodesis nail) / different size & length
26	26	Cable system / different size & length
27	27	Trochantric plate & cable grip system / different size & length
28	28	Ex-Fix (uniplanar / multiplanar) different size & length
29	29	Bone staplers system / different types
30	30	Bone graft synthetic / different types
31	31	Bone allograft / different types
32	32	Bone graft reaming irrigation aspiration (RIA)
33	33	Dynamic hip screw locked system / for adult / different size & length
34	34	Dynamic hip screw locked system / for pediatric / differenet size , length & angel
35	35	Bone cement with antibiotic arthroplasty & spine
36	36	Saw blades different sizes
37	37	Tendon graft / repair
38	38	Antibiotic beads & sheets & other antibiotic based composites
39	39	K.wire / different size & dia
40	40	Steinman pins D/S
41	41	8-plate (hinged & non hinged) / different size & length
42	42	Ostotomy knee plate (adult & pediatric) / different size & length
43	43	Ilizarov system شامل التركيب
44	44	Internal brace ankle and knee / different size

45	45	Tight rope syndesmosis
46	46	Tight rope haltux valgus
47	47	O.C.D kit
48	48	Pediatric blade plate / different size & dia
49	49	Washer / different size & dia
50	50	Cerclage wire / different size & dia
51	51	Collection canister for vac system
52	52	Granufoam for vac system
53	53	Schanze screw / different size & dia
54	54	Hydroxy appetite coated schanzes
55	55	Absorbable screw / different size & dia

56	56	Absorbable k.wire / different size & length
57	57	Pedicle screws (5.5mm*30,35) - (6.5mm*40,45,50,55)
58	58	Iliac screws (7.5mm*70mm) - (8.5mm*80mm) -(9.5mm*90mm)
59	59	Iliac screws connector from 15 mm to 80 mm / neutral , long 75 , long 105
60	60	Offset screws one size for all pedicle screws / universal
61	61	Cannulated pedicle screws 5.5mm*45mm poly , 6.5mm*45mm poly , 5.5mm*35mm poly
62	62	Offset screws for cannulated pedicle screws one size for all pedicle screws / universal
63	63	Fenestrated pedicle screws 5.5mm*35mm poly , 6.5mm*45mm poly
64	64	Offset screws fenestrated pedicle screws one size for all pedicle screws / universal
65	65	Rods for pedicle screws 6 mm coCr alloy or high bending stiffness Ti alloy
66	66	Rods for fenestrated screws all sizes
67	67	Lumbar trial cages from 8mm*20mm to 16mm*36mm biconvex
68	68	Rod to rod connector all size & shapes multi axial
69	69	Cross link multiple sizes
70	70	Pedicle screws 4.5 mm poly & mono
71	71	Rods for 4.5 mm pedicle screws all lengths cobalt alloy
72	72	Connectors for 4.5 mm pedicle screws all shapes / sizes
73	73	Titanium cages banana all sizes / titanium
74	74	Kyphoplasty kit
75	75	Neuromonitor kit
76	76	Cell saver kit
77	77	Lateral mass screws / different sizes & dia
78	78	Cervical cage / different sizes
79	79	Cervical plates / different sizes
80	80	Tethering system for scoliosis correction
81	81	Diamond cutters / different sizes
82	82	Surgical hydrofiber or microfiber cover dressing with silver or natural different sizes
83	83	Filter suction flow

		Sport Medicine
84	1	Anchor sutures / different size
85	2	Menisceal repair kit , all inside , outside in , inside in
86	3	ACL reconstruction kit
87	4	PCL kit
88	5	MPFL kit
89	6	Blades for shavers
90	7	Electrodes & radio frequency vapors
91	8	Arthroscopy infusion pump set
92	9	Shoulder cannula , lasso , stitch passer , threads , internal braces & A.C tight ropes+ Latarjet kit
93	10	Hip arthroscopy kit
94	11	Ethibond suture
95	12	Fiber wire suture
96	13	Fiber tape suture

التسلسل على نظام joneps	التسلسل حسب التصنيف	اسم المادة
		Arthroplasty
97	1	Primary total hip cementless
98	2	Primary total hip cemented
99	3	Bipolar hip cementless
100	4	Bipolar hip cemented
101	5	Revision hip (long femoral stem) (augments , rings , cages)
102	6	Primary total knee replacement
103	7	Revision knee (long femoral stem) (augments , sleeves , cons)
104	8	Total shoulder arthroplasty (ordinary & reverse)
105	9	Himi total shoulder arthroplasty cemented , cementless
106	10	Dual mobility cup (revision cup)
107	11	D.D.H stems
108	12	Primary T.H.R hybrid
109	13	Radial head prothesis replacement
110	14	Ultrasonic device for bone cement removal
111	15	Total shoulder primary & fracture stem
